

# **Freedom Groups Facilitator's Guide**

## **Guide for the "HONOR" Study Guide**

### **I. Introductions/Ice Breaker: (15 minutes)**

Welcome everyone.

Ask how everyone's week was and allow a few minutes for sharing.

Then ask one, two or all of the WARM-UP questions on page one of the study guide.

### **II. The Study: HONOR (30 minutes)**

Share with the group: "Over the last several weeks we have talked about humility and accepting others. These are two key character qualities that we all need to develop more. They both have a powerful affect on us and others around us. No one hates a humble person or rejects someone who is accepting of them. Instead, these traits tear down walls and build bridges into the lives of those around us. These relationship-bridges can become the pathways to hope, freedom, blessings, promotion and success in both our lives and others. They can be openings that unlock our destinies and the destinies of others.

Another powerful character quality that we all need more of is honor. As we will see in today's lesson we have lost the true understanding of honor in our society and therefore we don't understand its power. Hopefully, after today's lesson, we will have a better understanding of honor and all chose to live our lives as ones of honor."

Facilitate your group's discussion by going through the study guide.

- Start with reading the WORD section
- do section 1, reading the Scripture and question
- do section 2, reading the Scripture and question
- do section 3, reading the Scripture and question

### **III. Application: (10 minutes)**

Go through the APPLICATION section of the study and discuss.

Let your group know that you will be asking them next week how they applied this lesson.

### **IV. The Challenge and Prayer (5 minutes)**

Lead your group in praying using the written PRAYER section as a guide.

Remind them of your next meeting time and place and then dismiss on time.
