

Freedom Groups Facilitator's Guide

Guide for the "PERSONALITY OF THE HOLY SPIRIT" Study Guide

I. Introductions/Ice Breaker: (15 minutes)

Welcome everyone.

Ask how everyone's week was and allow a few minutes for sharing.

Then ask one, two or all of the WARM-UP questions on page one of the study guide.

II. The Study: PERSONALITY OF THE HOLY SPIRIT (30 minutes)

Share with the group: "Last week we talked about the reality that none of us want to feel all alone. Most people cannot be with us all the time that we want them to be, even if they wanted to. God is different though. Jesus promised to always be with us through the presence of the Holy Spirit. Jesus said He would not leave us but come to us and be with us forever. He said that He would do this by sending His Spirit. Those who believe and trust in Jesus are promised to never be alone but to be helped and comforted by the Holy Spirit.

When the Holy Spirit comes obviously He brings His presence into our lives. How does the presence of the Holy Spirit affect us? Does He bring just His presence or is there more to it than that? These are some of the questions we will explore in tonight's study."

Facilitate your group's discussion by going through the study guide.

- Start with reading the WORD section
- do section 1, reading the Scripture and question
- do section 2, reading the Scripture and question
- do section 3, reading the Scripture and question

III. Application: (10 minutes)

Go through the APPLICATION section of the study and discuss.

Let your group know that you will be asking them next week how they applied this lesson.

IV. The Challenge and Prayer (5 minutes)

Lead your group in praying using the written PRAYER section as a guide.
Remind them of your next meeting time and place and then dismiss on time.
