

Freedom Groups Facilitator's Guide

Guide for the "GIFTS OF THE HOLY SPIRIT" Study Guide

I. Introductions/Ice Breaker: (15 minutes)

Welcome everyone.

Ask how everyone's week was and allow a few minutes for sharing.

Then ask one, two or all of the WARM-UP questions on page one of the study guide.

II. The Study: GIFTS OF THE HOLY SPIRIT (30 minutes)

Share with the group: "Over the past several weeks we have been talking about various needs that we have in our lives and the gifts that God gives to us in order to meet all those needs. He gives us these gifts when we ask Jesus into our lives. Some of the gifts He gives us are the gifts of each other, the gifts of those to speak into our lives, the gifts of those to help us and probably the greatest gift of these gifts is the Holy Spirit.

During this time we have also talked about the fact that when the Holy Spirit comes He bring the presence, nature and personality of Jesus with Him. Today we will talk more about the gift of the Holy Spirit in our lives and what God has intended that gift to do."

Facilitate your group's discussion by going through the study guide.

- Start with reading the WORD section
- do section 1, reading the Scripture and question
- do section 2, reading the Scripture and question
- do section 3, reading the Scripture and question

III. Application: (10 minutes)

Go through the APPLICATION section of the study and discuss.

Let your group know that you will be asking them next week how they applied this lesson.

IV. The Challenge and Prayer (5 minutes)

Lead your group in praying using the written PRAYER section as a guide.
Remind them of your next meeting time and place and then dismiss on time.
